

My name is Ms. Rish and it is my pleasure to welcome you and your child to North Point Methodist Primary School! I hope you had a fabulous summer and I can't wait to hear more about it. This year is going to be full of fun, learning, and lots of adventures! You will be amazed as you watch your child bloom as a friend, reader, writer, thinker and so much more! I thought you might like to know a little bit about me.

I have lived in India, Mumbai most of my life. I am married to my wonderful husband and we have a son who is in second grade and goes to the French International School. He takes up most of my free time, but some hobbies that I enjoy are crafting, reading, dancing, and yoga.

This is my fourteenth year of teaching and this year I'm excited and will continue to teach P1, P3, and P4. The main objective of the English Reading Workshop is to enable students to formulate and develop their communicative competencies through practicing listening, speaking, reading, writing, and linguistic knowledge. In addition, this year we will be having many extracurricular activities and I will be in charge of a few like the English Expert Yoga which is beneficial for their health and will help children improve their focus and attention span and boost self-esteem and confidence within them.

Thank you in advance for trusting me with your most precious possession. I promise to treat your child the way I would want my child to be treated. I am not perfect, but I will do my best to make this an amazing year!
